ABOUT FVP/WHY FVP

Our mission is to create remarkable and impactful experiences for our clients and their guests to remember for a lifetime. We are the place to find dependable, reliable, and quality entertainment services for every occasion.

RELIABILITY

You can count on us! We will show up early, entertain your guests, and most of all we will answer our phone! That is the biggest pain point we have heard about other DJs. We make it a point to answer calls, text, emails, or any other communication within 24 hours!

EXPERIENCE

First Verse Productions holds over 20 years of collective experience and over 1500 events. We have seen what works and what does not. That is why we start each booking with a free consultation to understand each of our customers' needs and vision for their event. That way our clients get everything they need, and pay for nothing that they don't, so that they can have a successful event.

ENHANCEMENTS

*Take your entertainment
experience to the next level!*

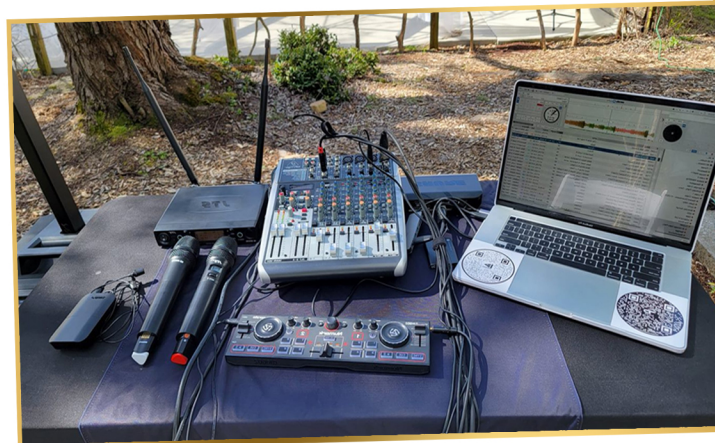

THE CEREMONY PACKAGE

\$350 PER CEREMONY

Having your ceremony outside and your reception inside? If so, then you will need this. This practical setup provides all the necessities for your ceremony so you can have a smooth and seamless transition from your ceremony to the reception. With other companies, the DJ would need to setup for the ceremony, play for the ceremony, break it all down, move all that bulky equipment to the reception site amongst your guests, and set it all back up again as quickly as possible. What a terrible look!

KEY FEATURES

- ▶ Lapel microphone for the Officiant/Pastor
- ▶ Handheld microphone for the couple
- ▶ Extra/Back-up handheld microphone for singer or performer
- ▶ Speaker
- ▶ Pre-Ceremony and ceremony music/playlist
- ▶ Audio Mixer for instruments or live performer

UP LIGHTING

\$350/EVENT

Add color accents to the room with custom up lighting on the walls. The colors of the up lighting are programmed to meet your specifications and match the colors of your event. They really change the entire vibe of the room. We also program them to flash and strobe different colors when it's party time.

CUSTOM MONOGRAM/PROJECTOR

\$375/EVENT

This light shines a custom designed image on a flat surface (i.e. wall, floor, or screen).
The image can be a logo, a monogram, a custom designed image, in full color,
a slide show, or even a short video graphic (such as a spinning logo).
This is a great way to customize any room or space.

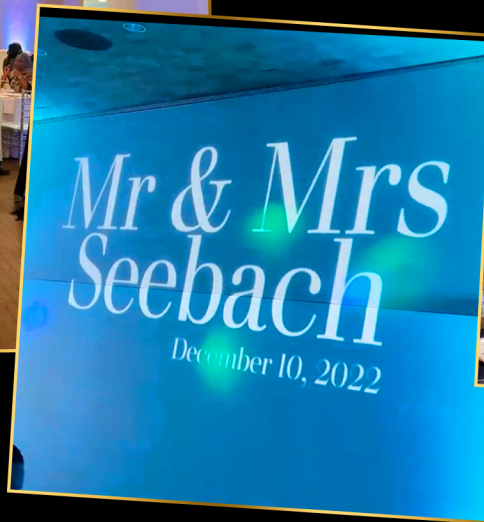

PHOTO BOOTH PRINTS

CLASSIC PHOTO BOOTH STRIPS

2" X 6" - \$300

STANDARD PHOTO SIZE PRINTS

4" X 6" - \$450

Add full color, 2" x 6" strip prints or 4" x 6" standard photos to your photo booth to make sure your guests have the best experience possible at your event! These prints make an amazing party favor for any event. People love to hang them at their work desk, living room mantle or refrigerator.

Prints come with a nice keepsake photo album and guest book!

BOXWOOD BACKDROP WITH CUSTOM SIGN

\$375/EVENT

This custom backdrop adds a beautiful touch of personalized elegance to your event. It comes with a custom, wooden cut-out of your name or short two-word phrase which you get to keep after the event. This makes a really cool keepsake from a special evening such as a wedding.

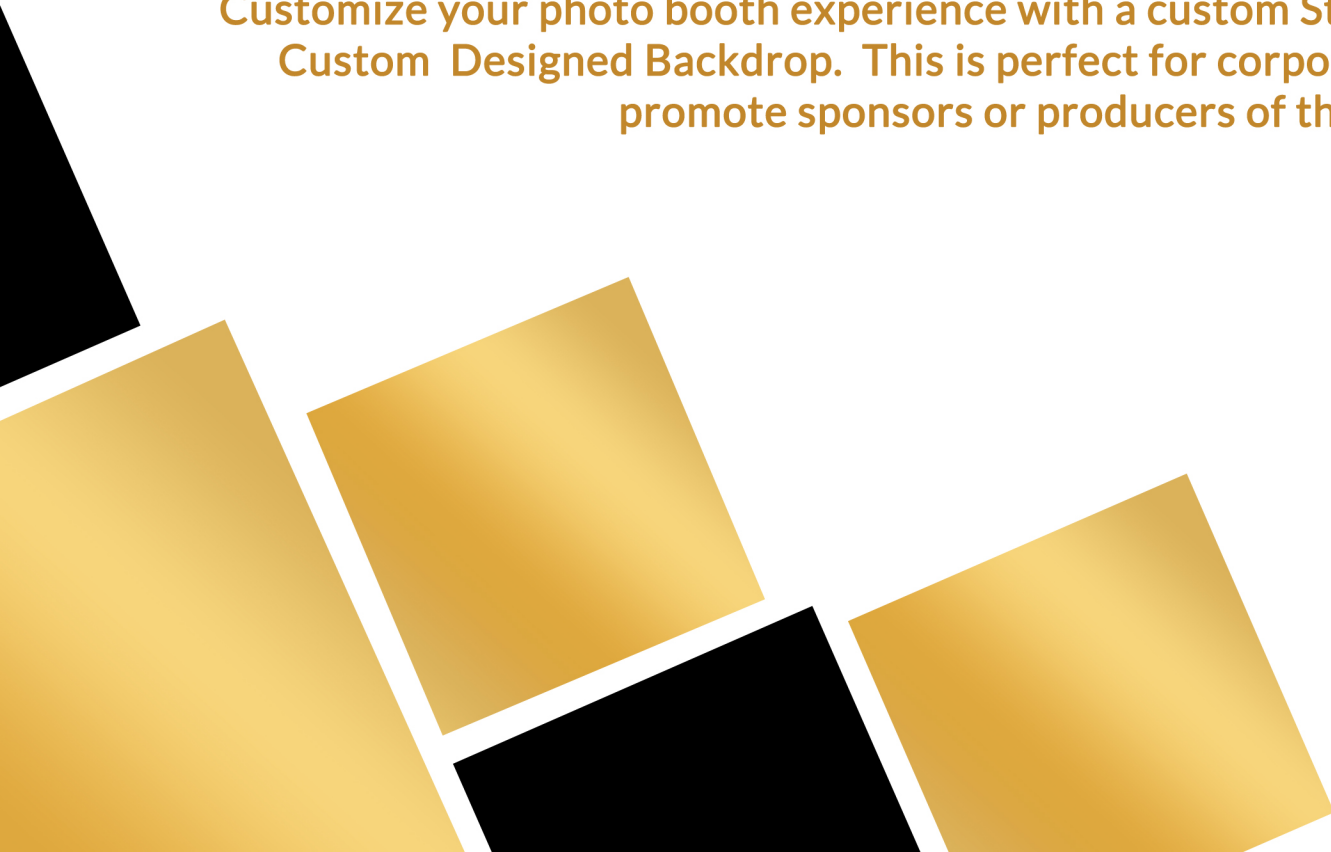

CUSTOM BACKDROP/ STEP-AND-REPEAT BACKDROP

8' X 8' - \$325

8' X 10' - \$400

Customize your photo booth experience with a custom Step-And-Repeat Backdrop or Custom Designed Backdrop. This is perfect for corporate or black tie events to promote sponsors or producers of the event.

FIRST VERSE PARTY CANNON

\$225/ CANNON

When the party is at its peak, you **FEEL** the energy bursting through the venue walls, Your First Verse DJ drops that track that everyone in the crowd knows. The intro has iconic lyrics that everyone can relate to, building up beat by beat... And then.. Right on beat... 3, 2, 1, the baseline beat drops, you whip out the party cannon and **BLAST! THE CROWD GOES CRAZY!** Everyone has their phone out, lights on, recording the **ACTION! BOOM! BOOM! BOOM!** That's the moment that everyone will be talking about for the rest of their lives!

Get a Second CO2 Canister for Only \$100

SCREENS AND LIGHTS UPGRADE

\$250/EVENT

Photo Link - NEEDED

Take your DJ setup selection to the next level with this enhancement. It bolsters two 40" full color video screens on totem stands with two large moving head beam lights on top. On the video display you can run a slide show of your favorite memories or display the guest(s) of honor's name(s) custom designed by First Verse Production's professional designers. Corporate clients can also use this to display a PowerPoint Presentation for a meeting or celebration of stellar performance!

AUDIO GUEST BOOK

\$150/EVENT

Don't settle for the same old guest book that you see at weddings and FUNERALS! Add this to your package and have your guests leave you an audio message of love, best wishes, encouragement and advice. Years down the road, you will have these recordings to remind you that you have the support of your friends and family. This is perfect for weddings, graduations, and baby showers.

ADDITIONAL SPEAKERS AND RED CARPET

ADDITIONAL SPEAKERS

\$100/SPEAKER/ROOM

Add an additional speaker to your DJ. Usually we recommend you do this in pairs if you expect your event attendance to exceed 150 people. Otherwise, this might be helpful to have sound in an adjacent area or room.

RED CARPET

\$75

This enhancement is very popular especially with high profile, very swanky events. Lay this 8-foot red carpet runner in front of the backdrop, leading up to the photo booth area, or at the entrance of your event to add a "Hollywood" style touch.
